

**Western CT Coalition for Behavioral Health, in
Partnership with Catchment Area Council 21
needs a Volunteer from New Fairfield**

Catchment Area Council 21, which serves New Fairfield, Sherman and 9 other local towns, is looking for a member to represent our town.

The group meets monthly to discuss current mental health needs, identify resources available to the community and raise awareness about emerging trends.

Meetings are held virtually on the 4th Thursday from 3:00 – 4:30pm.

Activities:

- Share feedback with members
- Participate in arranging educational presentations on mental health topics
- Meet with local providers
- Participate in community projects
- Assist with setting up an annual legislative forum
