

New Fairfield Social Services is looking for a Volunteer for the **SENIOR MEDICARE PATROL**

The Senior Medicare Patrol needs a Volunteer from New Fairfield

Opportunities for Volunteers with Connecticut Senior Medicare Patrol (SMP) -

- **Community Events & Health Fairs**
Attend community events to distribute SMP materials, answer basic questions and refer seniors to other resources.
- **Presentations**
Promote the SMP program by speaking at local clubs, support groups or retiree associations.
- **Administration & Distribution**
Participate in office projects, distribute SMP materials to senior centers, assemble supplies for community events & seek out volunteer opportunities around Connecticut for other volunteers.
- **Individual Interactions**
Meet with beneficiaries to help them understand Medicare Summary Notices and other healthcare documentation.
- **Promotions**
Write articles for newsletters and create other media messages.
- **Gathering Information**
Gather facts from beneficiaries, healthcare providers, insurance companies & Medicare surrounding issues to aid in problem solving.

SMP offers volunteers the chance to make an important difference in the community and ensure that the Medicare program will be protected for future generations.

Senior Medicare Patrol is currently scheduling new training events for SMP team volunteers.
