Call to Order: Chairman Tom Quigley call the Special Meeting to order at 10:05 AM

Present Commissioners: Tom Quigley, Jerry Schwalbe, Joan Archer, Keith Landa, Carolyn Rowan, Margaret DeTullio,

Applicant John Carinci and Engineer Mike Mazzucco

The Commission reviewed the site plan and stream crossing. Then proceeded to view on site markers and locations.

The Driveway crossing will be 2 48 inch pipes with a cement face wall to prevent undermining. Some stone walls will be built next to driveway to protect the wetlands. The driveway will not have curbs, just leak off.

The house site stakes were observed. There will not be a foundation just a slab. There will be a curtain drain to protect the septic system.

The Meeting was adjourned at 10:35 AM.
