Approval of COVID -19 Testing Agreement with Curative

Pat Del Monaco spoke of the contract regarding the COVID-19 Testing agreement with Curative. This agreement has been reviewed by the Town's Attorney and the Insurance Department. The only change recommended by the Attorney, was to make sure that the vendor gives the Town proper notice if the vendor changes days and hours of operation.

This clinic will be held at the Community Room at Company A Firehouse and there is no cost to the Town or the patients for this center. The cost will be paid by the patients insurance carrier or by the general fund if the patient is uninsured. This clinic will be held five days a week from Monday to Friday from 8am to 4pm.

This clinic will be advertised through the Alert Now system, Facebook and the Town Tribune. This clinic is open to anyone and not just New Fairfield residents. It is estimated that the start date for this is February 19, 2022. The tests are PCR tests with results available in 24 to 48 hours.

Pat Del Monaco made a motion to approve the agreement and allow the First Selectman to sign the agreement with Curative for COVID-19 testing. Lori Bennison seconded the motion.
