Committee Profile:

The Ball Pond Advisory Committee (BPAC) operates under the authority of the New Fairfield Board of Selectmen. **(Draft)**

Draft Mission Statement

The Ball Pond Advisory Committee closely monitors the water quality and living community comprising Ball Pond, applying best lake management practices, and encouraging stewardship by the lake community to ensure the health of the lake for current and future generations, as well as for the wildlife that relies upon it.

Draft Current Goals/Challenges:

1. Develop a lake management plan to reduce nutrient loading and minimize cyanobacteria populations, thus avoiding harmful blooms.
2. Monitor/manage current and potential invasive species.
3. Monitor/manage the Grass Carp program.
4. Educate the community about good lake stewardship.
