

Ball Pond Advisory Committee
Meeting

April 5, 2022 7:00 pm
Town Hall Conference Room

Mission: The Ball Pond Advisory Committee closely monitors the water quality and living community comprising Ball Pond: applying best lake management practices, and encouraging good stewardship by the watershed community, to ensure the health of the lake for current and future generations, as well as for the wildlife that relies upon it.

Meeting Agenda:

1. Call to Order
2. Approval of minutes (March 1, 2022)
3. Correspondence
4. Chair Update: Budget, Secretary, AER, AIS 2021 final report, alternates, bioretention ponds, mission statement, shared files
5. Education Goal:
FBP newsletter with BPAC Update (Mary),
Senior Center PPT (Jim)
Establish FBP liaison? Assign committee member to role?
Approve regular BPAC update column?
Any volunteers for “Libraries Love Lakes” month – July?
Other initiatives?
6. Does the committee support sending a letter to Rep. Callahan regarding glyphosate spraying and road salts?
7. Relocate BPAC boat?
8. New Business?
9. Public Comment (as time allows).
10. Adjournment

**Received by email on 3/29/2021 @ 8:30 a.m.
By: Holly Smith, Town Clerk, New Fairfield**
