The 2022-2023 WPCA Budget hearing will be on January 20 at 11:00 AM. Our 2021-2022 Budget remains at \$1515.00

5. Sewer Study Report

The Report requested by the BOS is expected to be available by the end of the month. The WPCA is very interested in the results and members referred back to the WPCA 2000 Sewer Study stating that nothing has changed from that study. The New Fairfield EDC asked for the study stating that sewers would help the development of the center of Town.

Peter Viola said that sewers would bring additional development and possible Multi Housing.

Jim Mellett reminded the committee that sewers remove water that otherwise would be recharged into the groundwater.

Lori-Ann Beninson on another matter was concerned that road salt could cause a problem with groundwater and well water.

6 Old Business

The Rachel Harvey project was discussed. A great project but not a winner of the Aquarion contest.

7 New Business:

The Spring Water Test Day was set as May 21, 2022.

8 Adjourn:

Peter Viola made a motion and Peggy Katkocin seconded to adjourn. All in favor. The meeting was adjourned at 4:33 PM
