RE: Application 37-22, Flynn, 8 Smoke Hill Drive, New Fairfield, CT 06812

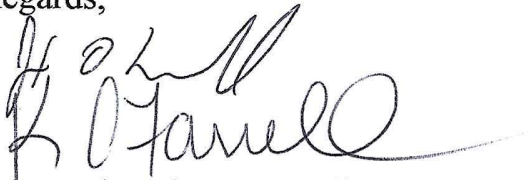

To whom it may concern,

We are writing on behalf of our neighbors, David and Andrea Flynn. They have spoken to us about their desire to install an inground pool at the rear of their property at 8 Smoke Hill Drive. We are located directly behind them at 19 East Lake Road. We understand that they have presented an appeal to allow for a setback of 33' off the rear of our shared property line.

Please allow this letter to serve as notice of our support of this project. We have reviewed the drawing of the proposed pool layout and have no objections to their request for a variance.

Please approve this request.

Regards,
