Dear Joanne Brown and the Zoning Board of Appeals,

In reference to the Continued Application #34-23 Foley 40 Lake Drive North New Fairfield specifically the side set back of 17.8 feet. We request a setback of 20 feet. The reason is my daughter's bathroom window is in direct view of their second floor windows.

The Foleys seem like a very nice couple and I hope this is acceptable to all.

Best regards,

Gordon Pascale
