

**TOWN OF NEW FAIRFIELD  
SAFETY COMMITTEE  
REGULAR MEETING  
WEDNESDAY, September 11, 2024**

The meeting was called to order via Zoom by Linda Fox at 11:05am. In attendance: Melissa Lindsey, Linda Lull, Eric Kist, Zach Drzal, Caroline Magnotta, and Linda Fox.

A motion to approve the minutes of June 5, 2024 was made by Eric Kist, seconded by Melissa Lindsey. Approved by all.

**Accident Reports:** No accidents to report.

**Old Safety Issues:**

**Vault Odor:** Still looking into possibility of moving the Park & Rec office. Some odors are seasonal.

**Staircase at Town Beach Boat area:** It has not been repaired/replaced. Lloyd Decker will be contacted to get an update on this.

**Playground at the old Consolidated School:** The playground is permanently closed and as part of the school project was to be demolished. Repairs to bring it up to code are too many and too costly.

**Handrails at the Senior Center.** It is believed that they have been repainted. Kathy Hull can confirm.

**First Aid Kits:** These have been distributed and have already been useful.

**Steps to Kayak Area:** A new handrail has been installed. Eric Kist will check it out.

**New Business:**

**Safety Issues:**

Melissa Lindsey reported that there was an issue with the pavers at the end of the ramp to Town Hall. This has been fixed.

**Other:**

Possible training for CPR, etc. Melissa Lindsey will check with Chris Alward. Lori Beninson may also be able to help with this. Park & Rec has a vendor they use for training.

A motion to adjourn was made by Eric Kist and seconded by Melissa Lindsey. Meeting adjourned at 11:16am.

Respectfully submitted,

Linda Fox, Chairman
