

New Fairfield Park and Rec presents: Board Games Club

Students in grades 1 and 2 can play board games with their peers in the NFES library after school. Play is important to children's development. Skills such as turn taking, planning ahead, and good sportsmanship are developed during game play. This club provides students a chance to play with one another in a device-free club.

Club Dates: Mondays - November 4, 11, and 18

Play a friendly game of: Candyland, Chutes and Ladders, Hi Ho Cherry Oh!, Uno, Jenga, and more! Or bring a favorite board game to share with friends!

This club will be led by Ms. Bishop. We will meet in the library after school on the dates listed above. Pick up time is at 4:45 in the main lobby. Please send a note to your child's teacher each week (please include in the note who will be picking up your child). Please email Ms. Bishop at bishop.kate@newfairfieldschools.org with any questions.

The cost for the 3-week session is \$45.

Please register at www.newfairfield.org/park/rec or call the office at 312-5633.
