Grant administration consultant Lisa Low spoke about the Small Cities Program. The purpose of this public hearing was to solicit comments on the planned small cities application and to discuss the proposed reuse plan for program income. The town intends to apply for \$300,000 in HUD housing rehabilitation funds for the purpose of renovating ten or more houses in New Fairfield.

Dr. Low noted that notice of this public hearing was published in the February 10th and February 17th edition of the *Danbury News Times*.

Dr. Low invited members of the public to speak if interested. No one gave public comment at this time. Anyone interested in applying for this program can contact Dr. Low or the Selectman's Office in New Fairfield Town Hall.
